Dear Eric Haner,

Every election cycle brings opportunities for Carpenters Local 175 to endorse candidates for local election. The decisions to support a candidate is not an easy task or taken lightly. Each and every Carpenter endorsed candidate must possess a great deal of integrity and character, while establishing a proven record for supporting organized labor and working families.

It gives me great pleasure to inform you that we believe your candidacy embodies these qualities, and therefore you are deserving of the Carpenters' endorsement. We strongly believe you will devote yourself to protecting the livelihoods of Carpenters as well as the hard working men and women in our community.

Please let us know what we may do to assist you in your bid for District 12 Judge.

On behalf of the members and Executive Board of Carpenters Local 175, best wishes for a successful campaign.

Sincerely,
