Hon. Eric Haner, Judge  
Jefferson District Court, Div. 12  
Hall of Justice  
600 W. Jefferson St.  
Louisville, KY 40202

Dear Judge Haner:

Congratulations on your recent win in the May 24 Primary race for District Judge. I was disappointed in losing this race to you but, at the same time, I am grateful for the experience gained in my first political campaign. During the past six months, I came to know you as a formidable opponent as well as a capable, dedicated, judge. You work diligently every day to further justice in a fair and timely manner, and you have the intellect and demeanor which are essential for this position.

I am convinced that you deserve to win the election this November and, therefore, I am pledging my full support to your campaign. Please let me know what I can do to help you win the general election.

Sincerely,

  
Charles J. Adkins
